Dine and Learn – Fostering Infant Skills

Location: In Person Workshop at 30 Bell Lane Brantford

Date: Monday September 9th

Time: 6:30 pm -7:30 pm

Fostering learning with infants can be fun and engaging. During this workshop we will look at different ways to build on their natural curiosity so they can explore the world around them. Reaching, grasping and manipulating objects develops hand-eye coordination and fine motor skills. Let's come together to explore the variety of materials that foster these skills!
