

REGISTERED CHILDHOOD EDUCATOR

Are you passionate about contributing to the positive development and well-being of children?

We are seeking motivated and enthusiastic individuals to provide a care and education program for young children and their families in a group setting under the direction of the centre's Executive Director. The centre is looking to fill positions for both full-time and part-time RECEs. Positions are permanent and include health benefits and pension plan.

Successful candidates should be energetic, caring and responsible. We are looking for team-players, who possess creativity and flexibility. Candidates should demonstrate a passion for early childhood education and program development. If this position sounds right for you, then apply now!

The St. George Children's Center is a nonprofit corporation, that has provided the highest quality of childcare to the community of St. George for nearly 35 years. This licensed childcare centre provides a warm and nurturing environment for children aged 27 months to 12 years.

SGCC is overseen by a governing Board of Directors. All RECE's report directly to the Executive Director and/or Assistant to the Executive Director.

As an RECE at the center you will contribute to the planning and implementation of programs and provide high quality child care in a warm and inclusive environment for children age 18 months to school age. Starting wage is \$27.00 per hour.

Requirement

- Must have up to date Criminal Reference/ Vulnerable Sector Check
- Current and valid CPR and First Aid
- Strong knowledge of the Child Care and Early Years Act and Code of Ethics
- Proficiency with technology is an asset
- Must be able to contribute to and help maintain an inclusive and collaborative team work environment
- 2+ years' early childhood education experience an asset

Qualifications/Responsibilities

- Foster an environment that demonstrates effective communication, teamwork and continuous education/skill building
- Plan, implement and review children's experiences in accordance with the centre's philosophy and program goals
- Plan and deliver evidence-based, individualized curriculum/programming for children aged 18 months to school age
- Guide children's behaviour to promote autonomy and positive self-concept
- Ensure the children's environment is healthy, safe and inclusive of all
- Encourage and support active family involvement and collaboration

If you have passion for providing the highest quality of childcare, and want to make a positive difference in a small community, then SGCC is the place for you!
